

CONFIDENCE - PINOT GRIS - DE ALCOHOLISED WINE

- ❖ Alcohol 0.4
- ❖ Grape varieties PINOT GRIS
- ❖ Winemaking

Alcohol is removed via vacuum evaporation.

This vacuum distillation process consists of two stages.

The first involves passing the wine through a distillation column to extract highly volatile compounds (aromas) into a small alcoholic fraction at a temperature of 30°C.

The second stage involves passing the wine through the column again to remove the alcohol, then reintroducing the aromatic fraction extracted during the first stage into the dealcoholized wine.

❖ Tasting Notes

Color:

A brilliant pale yellow with green highlights.

The appearance is clear, limpid, and brilliant.

Nose:

An expressive nose: soft and fruity.

Palate:

On the palate, it is dry and round, with a fruity acidity that adds freshness.

❖ Food Pairing

Perfect to enjoy on its own, as an aperitif, or while sharing light conversation with friends.

❖ Serving Temperature 8/10°
